"This is the dancingest festival I've ever been to!" dancin' dave

LEAF is dedicated to creating lots of opportunities for dancing. We love the dance crowd, and DANCE positively changes lives (as you know). We wish for Camp Rockmont's Brookside Hall to have a great wooden dance floor. Until that dream realizes, we will continue the arduous yet worthwhile process of building a dance floor twice a year. The dance floor is presently shouting for new plywood. This is not something we had anticipated and budgeted for so you now have the opportunity to give new life to the dance floor that creates so much happiness & dancing!
P.S. Per your request we do now have a 24x24 Oak Dance Floor Coming to Main Stage
